

Getting Started at shopwithscrip.com

ShopWithScrip.com is the online ordering system that our organization will use to gather your scrip orders. This site offers you convenience – you can now order scrip from any internet-connected computer at home, school, or office.

Who Can Use ShopWithScrip?

Any family can use ShopWithScrip – however, to place orders, *you have to create a free account at ShopWithScrip.com.*

How to Register

To register with ShopWithScrip, first open up your web browser, and go to www.shopwithscrip.com. To register a new account, go to the green **Family Sign Up** box on the left side, and click “Create Account”.

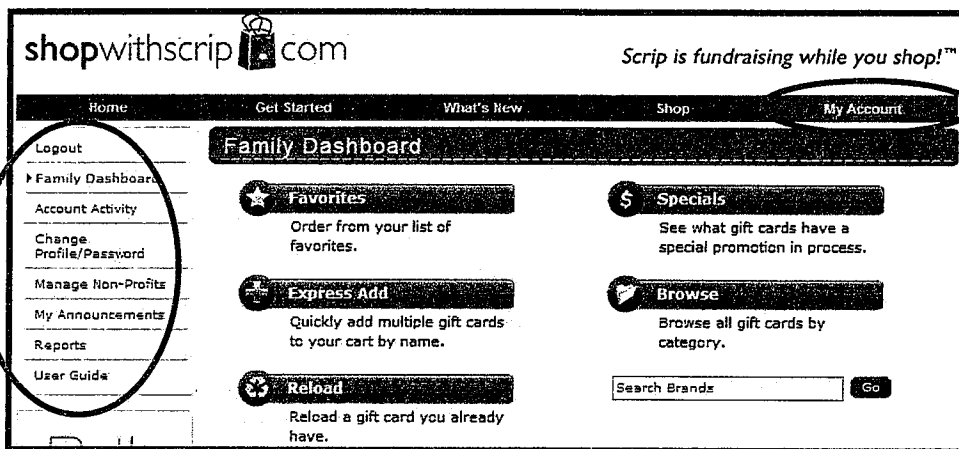

Follow the simple registration instructions and accept the terms and conditions of using the site.

Before you can place an order, you must enter our organization’s enrollment code, listed below. By associating this code with your newly created account, the ShopWithScrip system will correlate your shopping activity with our non-profit organization.

You can manage your account through the Family Dashboard. To access your Dashboard, click “My Account,” at the top of any page.

From here, you can check your account activity, change your profile and password, add, remove, and modify organizations you belong to and read coordinator and site announcements.
